Summary

Seasoned Full Stack Software Engineer with over two decades of experience in software development, project management, and leadership. Proven expertise in building and managing high-performance teams, developing comprehensive SaaS solutions, and driving strategic vision within companies. Skilled in a wide range of technologies, including Node.js, React, Python and AWS. Adept at leveraging Clean Architecture and Domain-Driven Design (DDD) principles to create robust and scalable applications. Known for a persistent and dedicated approach to problem-solving, with a strong belief that every challenge has a solution in the world of technology.

Experience

2023 - now | rcmonteiro.com
Full-Stack Developer
Currently developing a comprehensive SaaS project using Clean Architecture and Domain-Driven Design (DDD) with Node.js and React.

2018 - 2023
Contabilizei | Softplan | Talentify
Product Manager - Mentor - Leader
Focused on mentorship and leadership, assembling multidisciplinary teams, and contributing to the company's strategic vision.
Utilized Python for data analysis to inform decision-making and strategy development.

2011 - 2018
SitePX | Beracode
CTO | Co-founder
Co-founded startups, overseeing team management, project development, and infrastructure. Successfully migrated SitePX to the cloud using AWS services such as S3, RDS, and Memcached, resulting in a threefold increase in application performance. This achievement earned recognition at the AWS Summit in 2012. Technologies used included PHP, Node.js, Angular, MongoDB, MySQL, and AWS.

2000 - 2011
Tomate | A1.interactive | LiquidMinds | W2r
Full-Stack Developer
Worked as a full-stack developer in various agencies.
Utilized PHP, MySQL, and jQuery to deliver high-quality web solutions.

Skills

Leadership • Agile Methodologies • Problem Solving • Adaptability • Data Analytics • Machine Learning • Mentorship • Organization Skills

Strengths

Quick Learner
Proven ability to swiftly grasp new technologies and concepts, maintaining current knowledge of the latest industry advancements

Persistent
Driven to tackle challenges head-on, continually working until a solution is found, regardless of the complexity or novelty of the problem

Dedicated
